

What tonight's all about

The annual Cambridge FC Quiz Night and Auction has become a popular social fixture in the town, and a vital fundraiser for our club.

In recent years, the event has been sold out, with more than 200 packed into the Town Hall last year.

This year, we've booked the Cambridge East School and expect another bumper crowd.

Funds from the evening will help pay for the installation of gas-heated showers at the Vogel Street clubrooms.

Last month, we held a Mystery Bottle Auction that raised \$1,300 towards the new showers.

Tonight, the club has a bar licence and will serve drinks from 7pm.

Visitors can not bring their own alcohol to the event as this will jeopardise our licence.

No food is available at the venue but you're welcome to bring your own nibbles.

Attendees can win a huge range of great prizes tonight and the club would like to thank the following donors and sponsors:

Welcome

Steve Thomas is the chairman of Cambridge Football Club and is passionate about the club and its place in the community. Here he explains the club's goals . . .

Cambridge Football Club is one of the Waikato's fastest-growing sports clubs with more than 600 players, plus hundreds more who support and follow the club.

We estimate every tenth home in Cambridge (population 14,000) has at least one family member with a connection to the club. That's why we're so committed to ensuring our club represents the Cambridge community in a manner that befits the town — a town that proudly claims to be the Home Of Champions.

The rapid growth of our club means we have to be clear about our priorities in our planning.

Since the end of last season, a strategy team has developed a five-year plan which was given unanimous support at our Annual General Meeting in November.

Our plan places much importance on the way we help our young players get the most from their game, and to retain them as senior club players.

The plan says we should focus on four goals:

- ① Nurture and retain our young players with a football and self-development pathway that is considered the best in the sport.
- ② Enable all our players to play at the highest level to match their desire and ability.
- ③ Provide self-funding social and football facilities that our members consider the best in Waikato football.
- ④ Realise our goals through prudent financial management of our club.

Our club has a reputation for providing an environment that encourages social activity and friendship among its teams — we're seen by many in the football community as a 'social club'.

While we are pleased to have such a reputation, it's important we also build strong senior teams for our young players to aspire to.

Enjoy tonight's Quiz and auction!
